## **Daily Reflections**

### **3-2-1**

Every day we would like you to Reflections are due at 9:00 am the following morning and can be emailed to [bob.chen@umb.edu](mailto:bob.chen@umb.edu) or handed in at OSEI.

Please write:

- (3) New Ideas**—What did you learn today that you did not know before? This could be content, curriculum, how students learn, how teachers/researchers operate, ideas for future work.
- (2) New People**—Describe 2 people that you met during OSEI. Who are they, what do they do, how did they arrive at their current positions? Use lunch, team time, lab tour time to talk informally.
- (1) Question**—Please ask a question that came up during the day. This could be about how the world works, some specific ocean science content, how science is carried out, or where to find resources.
